

## Student Services Update February 2020

Hello Eagle Families. The spring semester is now underway, and we are fast approaching the midway point of the semester. **Spring Break** is less than a month away – March 7-15. Residence Halls and University administrative offices will remain open during break

As you gather information to prepare to file your 2019 tax returns, this is a reminder that the **1098T tax form**, which shows payments received by the University towards qualified tuition and related expenses is now available online to students (and those they have granted proxy access) More information is available here: <https://www.american.edu/finance/studentaccounts/1098-t-information.cfm>

The Office of Student Accounts will soon be sending weekly email reminders to students (and their proxies) who still have a balance due on their account. Registration for the Fall 2020 semester will begin in March. The summer/fall schedule of classes will be available on March 2. The balance must be paid before registration is allowed (unless you are signed up for the **American Payment Plan**)

Speaking of the payment plan, February 15 is the deadline to sign up for the 3 month plan, with payments due March 1, April 1 and May 1. The application and additional details are available here: <https://www.american.edu/finance/studentaccounts/payment-plan-overview.cfm>

One final reminder: if your student is a financial aid recipient, the FAFSA must be resubmitted each year by May 1. The CSS Profile is not required for continuing AU students. For more information, please visit: <https://www.american.edu/financialaid/current-undergraduates.cfm>

Looking forward to the Fall 2020, registration for AU's very popular **Parent, Family and Alumni weekend** on October 2-4 will open in August. For additional details:
